Program Content:

This program is for ALL health care professionals who are providing services to residents with dementia. It has been predicted that in 2020 80% of the residential population will suffer from some type of dementia. Will you and your staff be prepared for this health care crisis? A national certification as a Certified Dementia Practitioner™ is now available. This program is approved by NCCDP to meet the criteria for national certification. (See national certification information on next page).

This comprehensive seminar on Alzheimer’s/Dementia will enhance your training and is the required course to become a Certified Dementia Practitioner™.

Modules that will be covered:
• Diagnosis, Prognosis, and Treatment an introduction
• Evaluation and test for Alzheimer’s
• Communication
• Feelings and Repetitive Behaviors and Paranoia
• Wandering, Hoarding Behaviors, Aggressive Behavior, Catastrophic Reactions, Sundowning and Hallucinations
• Intimacy and Sexual behaviors
• Depression
• Personal care and bathing without a battle
• Activity programming for Alzheimer’s and Spiritual Care
• Positive changes to their environment
• Stress and the caregiver
• Staff and Family relationships and End of Life Issues

Upon completion of this seminar you are eligible to apply for Certification as a Certified Dementia Practitioner™. You must meet the NCCDP requirements for certification. The application for certification is available on line at www.nccdp.org

Seminar Attendance & Registration Policies:

Registration: Registrations may be sent via our website with credit card payment, fax with credit card payment or by mail with check. All registration fees must be paid at time of registering. In order to receive the early rate, payment must accompany the registrations by the assigned date; walk-ins must pay the regular rate. Registrations will not be processed and name badges will not be available to attendees until payment by check or credit card is received in our office. Phone registrations are not accepted.

Continuing Education: Please note that the credit hours offered for this program are for a full day of attendance. To receive continuing education credit for this program, licensing/accrediting boards require attendance in full. This means that partial credit will not be granted. Attendees who arrive late to a program will not receive credit. Likewise, credit cannot be granted to those who leave early. Therefore, please schedule your drive time conservatively, allowing room for traffic and construction delays. To receive credit for the program, participants are expected to sign-in, attend the entire program and sign out at the conclusion of the program. In the case of multiple day programs, credit will be granted for each full day of attendance.

Cancellations/Refunds: If a registrant cannot attend, an alternate registrant may attend in his/her place. Cancellations received more than 14 business days prior to program will receive a full refund. Cancellations received 7 – 13 business days prior to the program will receive a refund of 75% of the registration fee, cancellations received 4 – 6 business days prior to the program will receive a refund of 50% of registration fee. Cancellations after this time/date will be charged the full registration fee. However, a 50% education voucher could be issued for registration cancellations due to a state survey, or for a facility-related disaster. There are no refunds available for cancellations due to weather if the seminar itself is not cancelled. In the case of illness, death in the family or other reason, the facility may send another individual to take the place of the current registrant; no refund will be issued in these circumstances.

All cancellations must be made in writing and may be emailed to kchapman@ohca.org or FAXed to the OHCA office at 614/436-0939 to Kathy Chapman, Education Director. Refunds if applicable will be issued via check to the company from the OHCA office after the program dates, regardless of original payment type. - Revised 2/08
