Order the Handouts & CD

#### How it will work:

One week prior to the program, you will receive an email with the toll-free number and access code for your contact person at the facility to enter the call, as well as any handout materials and continuing education request forms. The number and access code are only valid for one connection (phone line & computer) per each registered organization. Any additional connections will be billed the individual session registration fee.

#### How much does it cost?

Facilities will pay one low fee for an unlimited number of participants. However, the number and access code is valid only for one phone line/computer at the location registered with the Association. Any additional phone connections calling in will be billed the individual session registration fee.

It is imperative that an email address is provided as this is where call in code and handout materials will be sent.
