Risks and Threats - Nursing Facility Survey with the MDS 3.0

Cannot listen in to the live conference?

Order the Handouts & CD

September 23, 2010
9:00 - 10:30 a.m.

How it will work:

One week prior to the webinar, you will receive an email with the toll-free number and access code for your contact person at the facility to enter the webinar, as well as any handout materials and continuing education request forms. The number and access code are only valid for one connection (phone line & computer) per each registered organization. Any additional connections will be billed the webinar registration fee.

How much does it cost?

Facilities will pay one low fee for an unlimited number of participants. However, the number and access code is valid only for one phone line/computer at the location registered with the Association. Any additional telephone #'s/computers calling in will be billed for the registration fee.

Have a conflict the day or time of the call or just want other shifts to be able to hear the program? This program is being recorded and a cd-rom along with the handouts is available for purchase. CEUs are not available for listening to the CD.

It is imperative that an email address is provided as this is where call in code and handout materials will be sent.

Description:

Nursing facilities are receiving more scrutiny than ever by surveyors. They are citing more deficiencies with greater scope and severity, all which carry greater penalties. With the implementation of MDS 3.0, along with the QIS expansion throughout Ohio, surveyors will have additional tools such as the BIMS, PHQ-9, and the Care Area Assessments. This will allow surveyors to more closely examine clinical documentation, plans of care, and the appropriateness of interventions, to determine your facility's compliance. This webinar will look at the MDS 3.0 and identify the impact on providers and the key survey and compliance risks.

Program instructor:

Kenneth Daily, Principle, Elder Care Systems Management

Kenneth Daily, LNHA, Principle, Elder Care Systems Management, is a nationally recognized leader with wide-ranging experiences in advancing long term health care. Since 1986, Mr. Daily has worked in a number of varied capacities including serving as the Director of the Office of the Long Term Care Ombudsman, Vice President of a national consulting and software development firm, long term care consultant specializing in technical assistance, quality improvement, regulatory compliance and education for a broad range of healthcare engagements, nursing home administrator and facility co-owner/operator. Kenn is a highly regarded and engaging speaker who is a member of the Ohio Health Care Association Board of Directors. Kenn was recognized recently by the AHCA as a Rising Star- Future Leader for his commitment to the long term health care profession.

Continuing Education Credits:

The program is approved for one (1.0) hour of credit for nursing home administrators and nurses. Individual attendance will be monitored throughout the call. Only those attending the entire call will be awarded continuing education credit. All participants regardless of need for CEUs, will receive a certificate of attendance. Upon receipt of your request for continuing education form, certificates will be mailed to the facility.

Register on line and save 10% off the registration fee listed.

Mail-in Registration
