Transfer & Discharge in Ohio: Clearing Up the Confusion

Date:

March 19, 2019

2:00 pm – 3:30 pm EST

The recent revisions to the Requirements for Participation emphasize the importance of comprehensive discharge planning as more residents are discharged more quickly into the community. Additionally, several significant changes have been made to the requirements pertaining to the transfer and discharge notice and appeals process which has created great confusion within the provider community. This webinar will review matters related to discharge planning, notices and appeals, and highlight the substantive changes that have been made in these areas as a result of the revised requirements, and will include a discussion of real-life case examples involving these issues.

Objectives:

- Learn the regulatory requirements related to transfer and discharge;
- Learn about the changes to the transfer and discharge process resulting from the revised Requirements of Participation and associated Guidelines; and
- Hear real-life case examples involving transfer and discharge challenges that providers have encountered

Speaker:

Christopher Tost is a Partner at Rolf Goffman Martin Lang LLP. He frequently presents on the topics of survey and resident discharge. Mr. Tost has represented a number of providers in the Ohio Department of Health hearing process, and has also aided facilities relative to discharge decisions and the preparation of required notices. Christopher has been routinely selected as one of Ohio's 'Rising Stars' in the area of health care law by Super Lawyer Magazine.

Continuing Education Credits:

Each program is approved for one (1.0) hour of credit NHA, & Nurses. Individual attendance will be monitored throughout the call. Only those attending the entire call will be awarded continuing education credit. All participants regardless of need for CEUs, will receive a certificate of attendance. This course is considered a self-study course by Ohio BELTSS. Administrators are reminded that BELTSS limits webinars (home/self-study) credits to a total of ten (10.0) per renewal period.

The National Continuing Education Review Service (NCERS) of the National Association of Long Term Care Administrator Boards (NAB) has approved this program for 1 continuing education credit for nursing home administrators. This program is considered distance learning.

How it will work:

One week prior to the webinar, you will receive an email with the toll-free number and access code for your contact person at the facility to enter the webinar, as well as any handout materials and continuing education request forms. The number and access code are only valid for one connection (*phone line & computer*) per each registered organization. Any additional connections will be billed the webinar registration fee.

How much does it cost?

Facilities will pay one low fee for an unlimited number of participants. However, the number and access code is valid only for one phone line/computer at the location registered with the Association. Any additional phone connections calling in will be billed the individual session registration fee.

It is imperative that an email address is provided as this is where call in code and handout materials will be sent.

Registration

www.efohca.org

Name: _____

Title: _____

Email Address (*required*): _____
